On November 9, 2009 the Court held a pre-trial conference in this adversary proceeding. Participating in that pre-trial conference were Harold Corzin, plaintiff-trustee and *pro se* defendant, David Dolton. Also present was Michael Moran who represented Mr. Corzin in a related adversary proceeding. During the pre-trial conference Mr. Corzin and Mr. Dolton indicated that they had reached a proposed resolution and Mr. Dolton indicated that he wished to review that resolution with to-be-retained counsel. The Court indicated that if the matter was not reported as settled by November 30th then the matter would be scheduled for trial. To date, no settlement has been reported. Accordingly a trial will be set.
